## CAREER OBJECTIVE

- Committed to creating innovative, user-centered designs that drive business results and exceed user expectations through research-driven, accessible, and scalable solutions.

## EXPERIENCES

### AGARTEE Technology Inc.

#### UX/UI Designer

📅 Feb. 2023 – Present      🗺 Vancouver, Canada

- Unify UI/UX Design & Dev Workflow:** Develop a flexible design system using atomic design principles, boosting design efficiency by ~ 35% and reducing engineers' UI implementation time by ~ 40%.
- User-Centered Design & Research:** Conduct extensive user research, including observational studies and structured interviews to inform every design decision.
- Data-Driven Design & Optimization:** Design and iteratively refine the patient data management application based on user feedback and data analysis, achieving a 38% increase in user satisfaction (from 4.1 to 5.7 out of 10).

### PROCECO Ltd.

#### Sales Operations & Marketing Coordinator

📅 Dec. 2021 – Nov. 2022      🗺 Montreal, Canada

- Sales Growth:** Enhanced lead nurturing processes in Salesforce, driving an 18% increase in sales within 6 months.
- Marketing Automation:** Optimized email campaigns using Pardot and SemRush, boosting open rates by 25%.
- Cross-Functional Alignment:** Collaborated with sales and product teams to align campaigns with business objectives, increasing marketing-qualified leads by 40%.

### RE/MAX ACTION.

#### Real Estate Marketer

📅 May. 2021 – Dec. 2021      🗺 Montreal, Canada

- Property Data Management:** Maintained accurate, up-to-date property listings and databases, ensuring information integrity for the sales team.
- Contract Management:** Prepared and coordinated lease and sale contracts for residential and commercial clients.

### ATHENA ICT

#### Web Application Designer & Content Strategist

📅 Jun. 2008 – Sep. 2013      🗺 Tehran, Iran

- Collaborated across product and engineering teams to design user-friendly web apps for partner relationship management.
- Streamlined workflows, improving team efficiency and user satisfaction.
- Designed an onboarding flow that achieved a ~ 70% completion rate among targeted B2B clients.
